

# Programme

## Important Announcements

1. As we have reached full capacity, registration is open only for people presenting a paper or a poster.
2. Only people with a registration badge will be able to attend the conference.
3. The Honor Frost Foundation will be hosting a Memory\_Booth at the Conference, open to all conference participants to share their personal memories, inspirations and insights into their own journeys within maritime archaeology and, in particular, those who worked with or had a professional association with Honor Frost. The Memory Booth is part of a larger project that the Foundation is supporting called 'Soundings'. The exact place and times will be announced shortly.
